Paul Nichols anniversary of employment was March 4th. Received a copy of Application for Permit from Army Corp of Engineers for the Libby Hill Culvert project. Also received response from MMA concerning project. Their opinion is that a Special Town Meeting would be necessary to do any project other than culvert that was approved at Town Meeting even with Grant funds. Have spoken to Jerry Sullivan re: tires. He can take them to PERC for \$100 per ton. Is going to get back on cost for Dumpster and hauling. Would like to collect tires on White Goods Days. First one is the end of April. Pittsfield may be interested in Compactor. We no longer need it. Greg Tasker stopped in to checking on mowing for this season. Will charge same as last year.
